

Overlapping Barriers Reflection Card

HRBA Foundations

Everyday Rights Lens

A practical reflection tool to notice intersecting barriers and identify inclusive, rights-based adjustments.

Use this card to reflect on one person, group, or situation in your context. Keep notes general and safe.

1. Identify the situation

Person or group (general only): _____ Context/service/process: _____

Why this matters: _____

2. Which barriers overlap?

Tick all that apply and add notes if useful:

- | | |
|---|---|
| ☐ Gender | ☐ Low income / livelihood pressure |
| ☐ Age | ☐ Care burden / time |
| ☐ Disability | ☐ Documentation / eligibility |
| ☐ Displacement / migration | ☐ Social norms / gatekeepers |
| ☐ Language / literacy | ☐ Safety / stigma / fear |
| Short note on how the barriers intersect: _____ | ☐ Other: _____ |
| ☐ Remote location / distance | |

3. How do these barriers affect rights, access, or participation?

4. What practical adjustments or accommodations could help?

One safe next action: _____

Safety reminder

Do not write names, exact locations, case details, identifiable complaints, or other sensitive information. Keep this card general and safe to share.
